# Exclusive Dental Care

---

# Welcome

A **warm welcome** awaits you at our award-winning practice. We are proud to offer the very latest in technology and clinical techniques in a relaxed spa-style environment.

Our highly qualified team, led by some of the foremost consultants and specialists in the UK and Ireland, ensure that every one of our patients is treated with the upmost care and provided with a level of service that is second to none.

We understand that you may be apprehensive before your dental appointment and that is only natural, so we make every effort to ensure your experience in our practice is as relaxed and comfortable as possible.

We offer an unrivalled menu of dental treatments, from general dentistry to smile makeovers to enable you to achieve that perfect smile.

“ A level of service  
unlike anything  
you will have  
experienced before ”

# Achieve your perfect smile

We are **renowned for the quality of our cosmetic dentistry**. We have changed the lives and confidence of countless patients in our care who can now **smile with renewed confidence**.

## OUR EXTENSIVE RANGE OF COSMETIC SOLUTIONS INCLUDE:

- Smile transformations
- Teeth whitening
- White fillings/metal-free crowns
- Complex mouth restorations
- Metal-free bridges
- Correction of twisted and chipped teeth
- Cosmetic veneers

## SMILE MAKEOVERS

The importance of a great smile cannot be overstated – it is the first thing that many people will notice about you and will aid your confidence and demeanour in business or social interactions. Our team can help make you look up to 10 years younger through a range of cosmetic treatments and whitening options to give you a dazzling Hollywood smile in just two hours.

We design our treatments around each individual person's needs and design smiles that will not only transform your appearance but also your quality of life.

#### YOUR CARE IS OUR PRIORITY

We offer a range of payment options to suit your needs, including 0% finance to help you comfortably spread the cost of your dental treatment. Late night and weekend appointments are available on request.

# Dental Implant Centre

We have a **specialist-led team** in the field of implants, backed by oral surgeons to give a **safe and seamless service**.

## WE CAN RESOLVE:

- Missing teeth - Single or full arch
- Uncomfortable/loose dentures
- Loss of facial bone and support
- Failing bridges/crowns
- Difficulty in biting/eating food

Our revolutionary techniques and treatments enable us to provide same day teeth. Losing a tooth, or several teeth, can compromise your looks and ability to eat comfortably. Our implants offer a secure solution for every situation. They are permanent, stable and strong, giving you the feeling of having your own teeth back.

## WE CREATE:

- Beautiful smiles
- Stable, comfortable dentures
- Full set of teeth in a day - lose your dentures forever
- Happy satisfied patients

## BENEFITS OF IMPLANTS:

- Stable mouth
- Ability to eat with confidence
- Greater quality of life compared with wearing dentures
- Reversal of bone loss and ageing

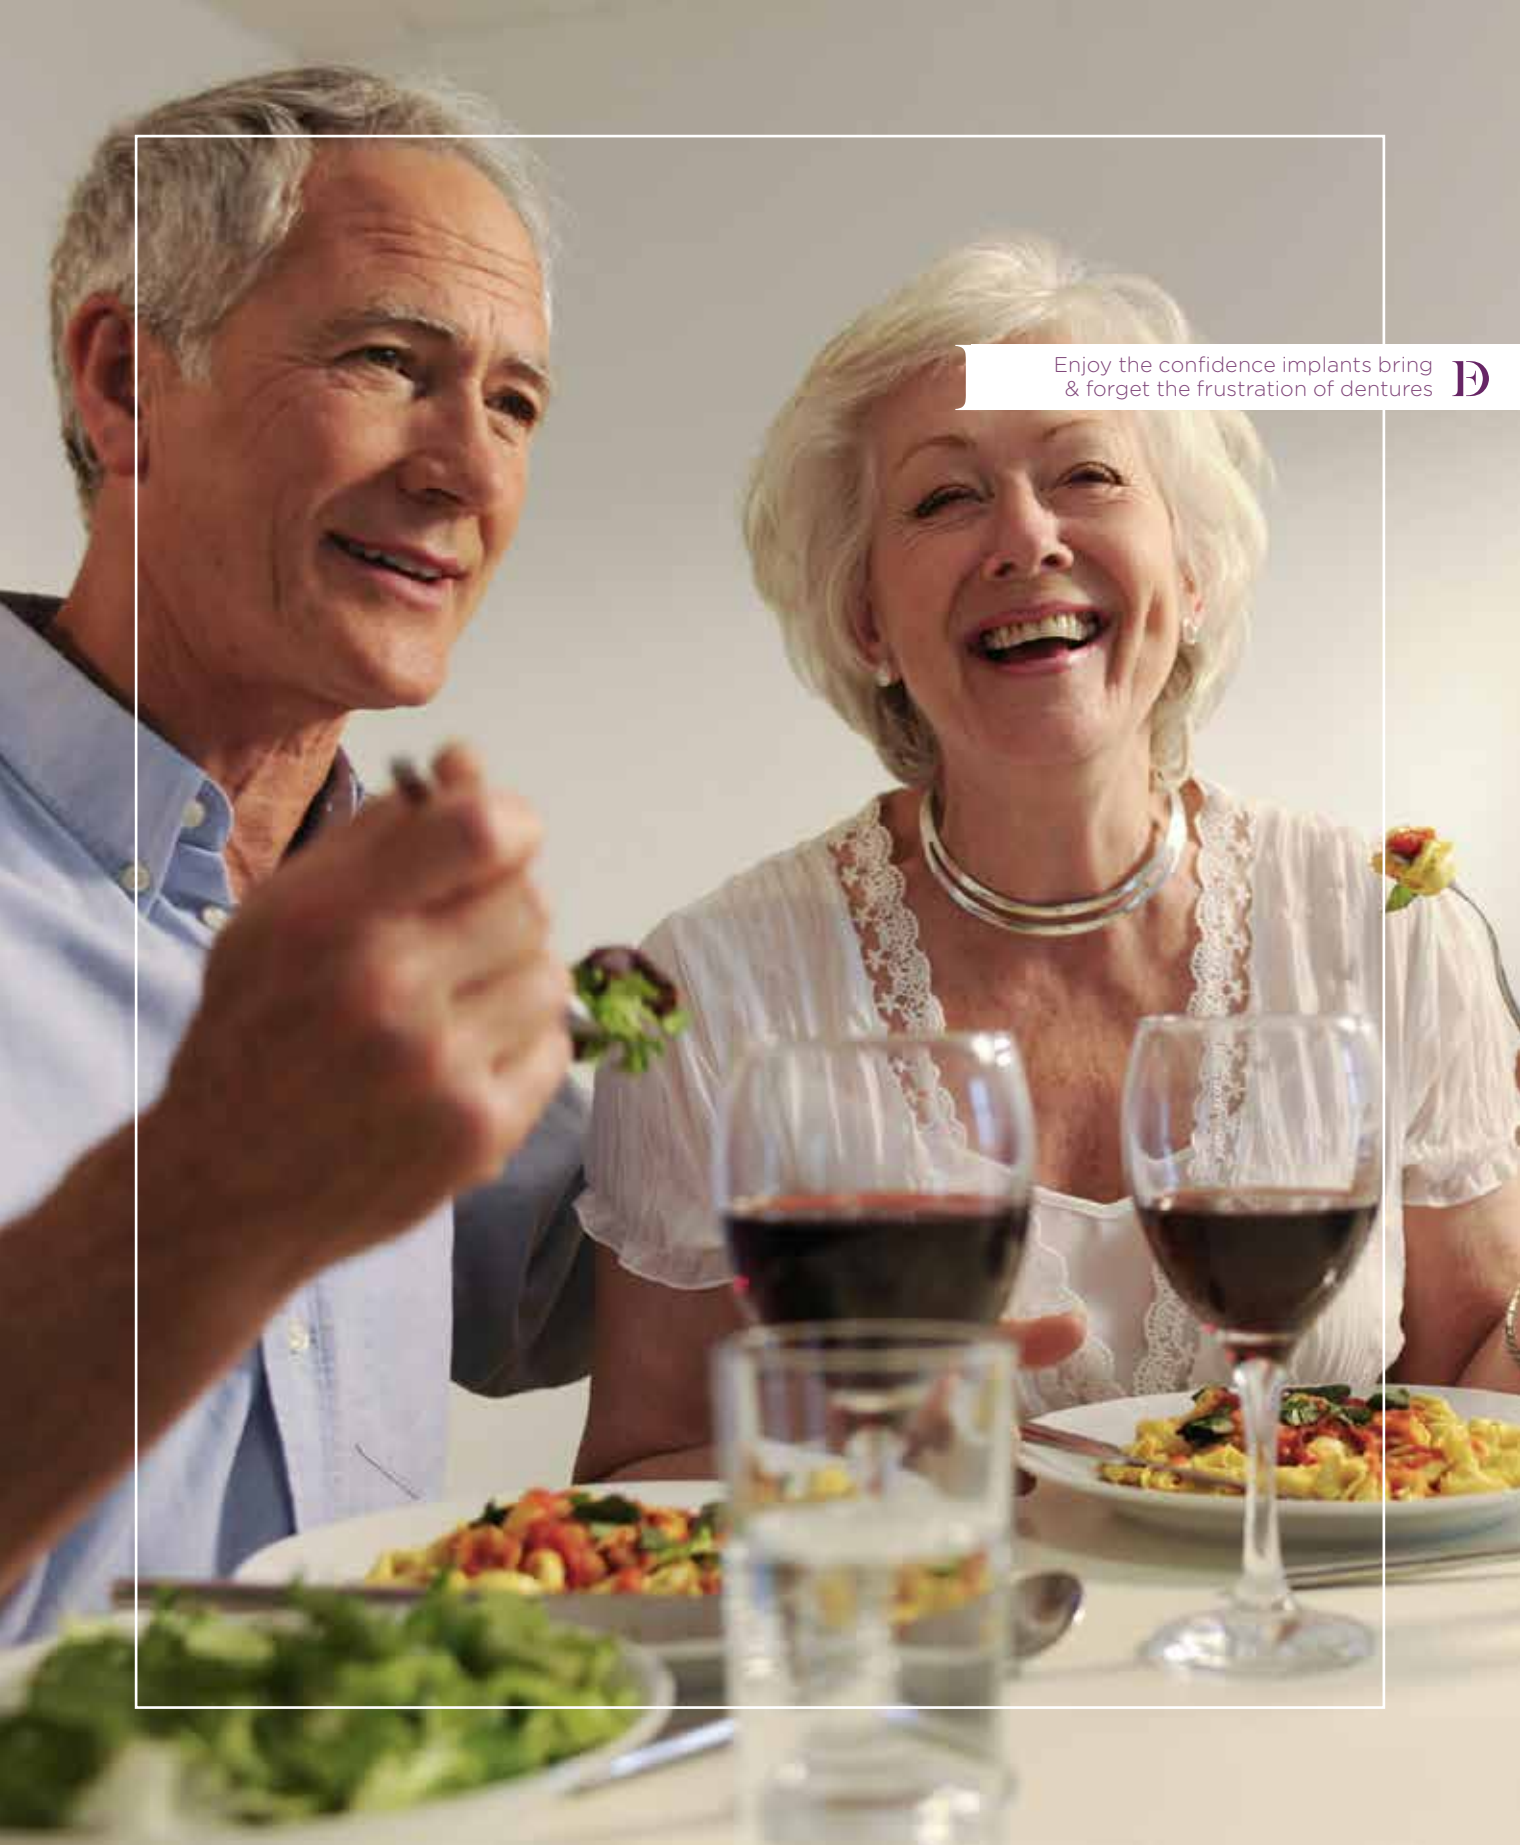

As dentistry evolves it is more important than ever to understand the benefits of implants as opposed to conventional restorations. Our team have advanced training in implant dentistry and use these skills and techniques to offer patients an innovative and reliable solution to tooth loss.

Enjoy the confidence implants bring  
& forget the frustration of dentures

# Orthodontic Services

As advanced cosmetic and orthodontic dentists, we can apply the latest cosmetic techniques to finalising your orthodontic care to a high and visually pleasing standard. Our clinic offers a family-friendly service with a wide variety of orthodontic treatments for **adults and children of all ages**.

The state of the art facilities available at our dental clinic enable the team to treat any orthodontic case, no matter how complex.

## TREATMENTS INCLUDE:

- Clear braces (adults & children)
- Traditional braces (adults & children)
- Invisalign (invisible braces)
- Incognito braces (hidden behind teeth)
- Rapid orthodontics (6 month treatments)
- Orthognathic surgery (extreme jaw realignment)
- Full range of Orthodontic treatments
- NHS available for children
- High cosmetic quality finish

“ Free teeth whitening included for all adult Orthodontic patients ”

Before treatment

After short term orthodontics treatment

We offer a wide range of standard  
and invisible cosmetic braces **D**

# Empathetic care & sedation for nervous patients

Are you afraid of dentistry? You no longer need to be afraid of visiting the dentist. Come to Dental Excellence and lose your fear of dentistry forever.

We have a unique approach to counteract any fear people may have of dental treatments. We care about providing exceptional customer service. Our staff understand that visiting the dentist can cause extreme anxiety and even prevents some customers from getting the treatments they need.

The Dental staff are highly experienced in dealing with nervous or anxious patients and will work with you to provide complete pain free care in a calm and caring environment with personalised sedation techniques.

No-one is rushed at our clinic; we like to take our time with patients, working to the pace of the patient not the dentist.

## WE OFFER:

- Gentle approach
- Pain free dentistry
- Dental Phobia certified dentists who have all the latest training and techniques
- Needle free dentistry
- Friendly and caring staff
- Drill free dentistry
- Relaxing environment
- Centre for treating nervous patients
- No limitations on your time with the dentist
- Empathetic Sedation

Remove your preconceptions of  
what a trip to the dentist entails

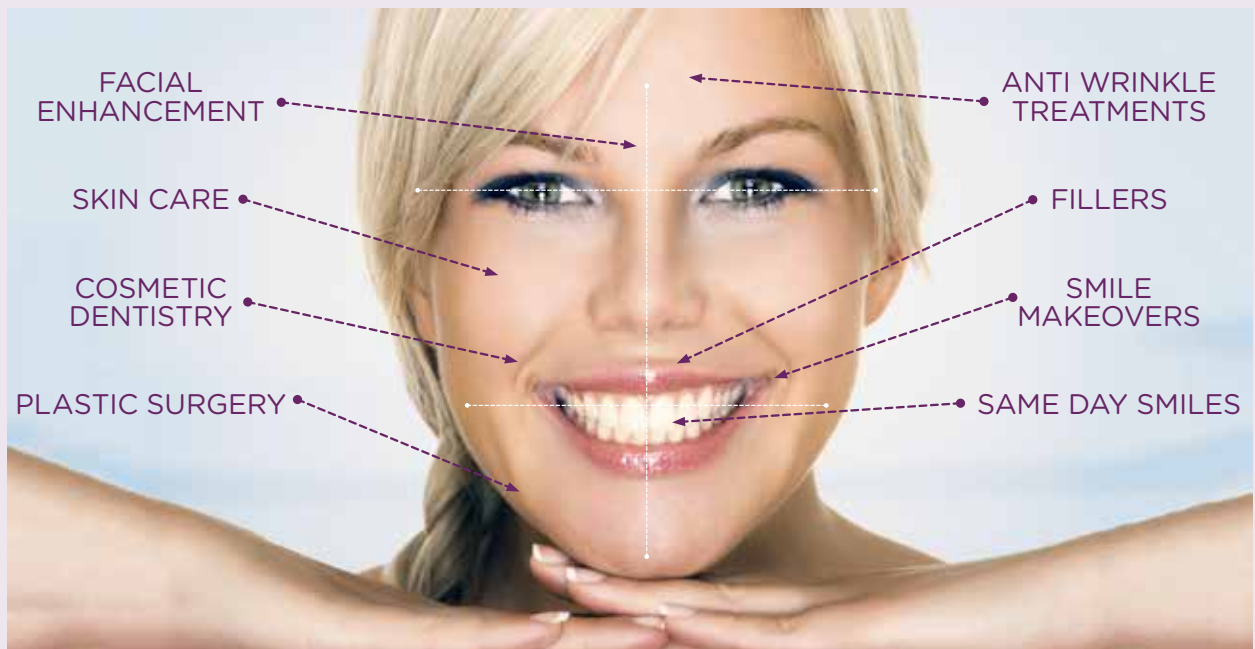

# Facial and Dental Transformations

We are one of the leading clinics for facial and dental transformations.

A confident smile is an important asset in our society. It aids positive social interaction, business success and can help promote personal happiness.

We aim to make you look younger and be healthier, painlessly and quickly! Our experts provide the very latest and best in cosmetic dentistry, orthodontic and implant solutions, alongside cosmetic surgery and nonsurgical treatments such as fillers.

# Dental Hygiene

We have a specialist-led dental hygiene service available to all our patients. We place a lot of emphasis on **achieving good looking, healthy gums**. We are aware of the recent evidence linking gum disease to poor general health so our practices place a lot of emphasis on hygiene and preventative dentistry. Our aim is for all our patients to have the best dental health and problem-free mouths.

## RECENT EVIDENCE LINKS POOR GUM HEALTH TO:

- Heart disease
- Diabetes
- Stroke
- Cancer
- Low birth weight babies

All our treatments are delivered pain free using the latest technologies.
